MOOD:  nervous

MUSIC: Barenaked Ladies - Light Up My Room

Pauley told me this thing about horses once. He said if you have a bunch of horses used to living in the same corral, and you take a couple of them out of the corral and out of sight, the remaining horses get nervous. Well, "nervous" wasn't the word he used.

I wondered what he was getting at at the time.

Now I think I know.
